## Proposal Narrative

### Organization's Purpose\*

A brief summary of organizational history, mission, goals, programs and current initiatives. (You do not have to use all 3,000 characters.)

Character Limit: 3000

### Needs\*

Describe the opportunity, challenges, issues or needs, the community and youth that your proposal addresses. (You do not need to use all 3,000 characters.)

Character Limit: 3000

### Background\*

Describe how your program provides housing to youth that integrates your activities with the State of Minnesota's new Heading Home Together Plan. The state plan outlines 7 areas: Identifying and engaging; Ensuring a crisis response; Rapidly linking with housing and services; Filling the gap in housing; Using a Person-Centered Orientation; Increasing employment and income; Organizing plans and partnerships. Each area has a number of specific principles. Sundance is supporting programs that support this collaborative plan of action. (You do not have to use all 3,000 characters)

Character Limit: 3000

## Plan\*

For the proposed activities, please describe:

1. Overall goal(s);
2. Objectives, activities or tactics in which you will meet the goal(s);
3. How many youth do you serve in your agency, and how many are served in this program?
4. Staff carrying out those activities (short descriptions);
5. Time frame in which this will take place;
6. Specific activities for which you are seeking funding;
7. How the proposed activities will benefit the community and youth, and the impact (outputs and outcomes) you expect to have;
8. Long-term strategies for sustaining this effort (attach a list of funders below)
9. Evaluation: do you have a plan to gather data during, and to track participants after this program?

Character Limit: 10000

## How are you Collaborating with Various Agencies to Support Youth?\*

Much of the work with precariously housed youth requires collaborations with schools, civic organizations, and other social service agencies. Can you describe these collaborations?

Character Limit: 5000

## How Are You Tracking Your Youth and Alumni Youth?\*

What are the databases, or programs that you use to track your youth and their progress? What have you found works best in tracking Youth during and after they leave your programs.
